Your postal card only to hand and also Catalogue for Rare sale. There seem little or nothing in that branch for me I may possibly run down to Phila from Nyork later on and if you have in Stock some store cards may be able to add to my Collection. I lack a number that are not considered rare by any means, but they simply have not come my way.

I have some beautiful pieces however and of course can not obtain them all.

With kind regards

John N. Beebe
